Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on this board or commission?

I have a long history of being involved with my community, and would like that to continue. I moved to Reno from Fremont, CA 3 years ago, and am in love with this area. As a senior myself, and someone who has cared for an elderly mother, I think I have a good idea of what services and amenities are important to seniors as they age. I have been an elected school board member, a government & community affairs director for a chamber of commerce and for a home builder, and a president & board member of several non-profits. From my work with these organizations, I have a clear understanding of the challenges facing seniors, the poor, and the organizations that serve them. I believe I could be a strong asset to this advisory board.
