Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on this board or commission?

When I was a deputy attorney general assigned to the Medicaid Fraud Control Unit, I worked with then Attorney General to create an Action Plan to Prevent Elder Abuse in Nevada. I developed and taught classes on elder abuse, neglect and exploitation to law enforcement and health care providers. I also served on the Senior Evidence Review Team that met to discuss pending elder abuse, neglect and exploitation cases. Later, as a prosecutor for the Reno City Attorney's Office, I continued to teach law enforcement about elder abuse, neglect and exploitation. I also was the person responsible for finding care for my mother who suffered a massive stroke at age 77. Now that I am 61 and retired, I have the time and energy to apply my experience and education to assist Washoe County in addressing the needs of seniors in our community.
