Meet our current Washoe County Sheriff's Department K9 Teams

K9 Units provide specialized assistance in keeping our community safe. They are able to assist Detectives, Consolidated Bomb Squad, Consolidated Extradition Unit, Northern Nevada Regional Intelligence Center, Raven Aviation Unit, Regional Gang Unit, Search and Rescue, Special Weapons and Tactics (SWAT), and the Hostage Negotiation Teams. At any given time they can be called on to assist in tracking down a bad guy, locate a missing child, or help locate a walk-away dementia patient. They are invaluable with narcotic searches and security details.

As a Community we are lucky to have one of the best-trained K9 Units in the country keeping our community safe each and every day. When not on duty the K9s live with their handlers and their families.

WASHOE COUNTY K9 PARTNERS

Washoe County K9 Partners focuses on raising funds to provide needed equipment, gear, medical equipment, and training above the standard equipment the Public Safety agencies provide. Pictured is some of the equipment for training and work needed by law enforcement K9 officers. Items such as ballistic vests, attack suits, tracking collars, and agility equipment are just a few items provided to these valiant K9s.

Washoe County K9 Partners© does not replace the individual agencies' K9 Budget; we are here to assist.

All proceeds from calendar sales go to benefit our local K9s.
