Presented: 4/20/2021

#### **New Staff Recommendation on Bills**

No New Bills

	Staff Direction to Support	
<u>AB1</u>	Revises provisions relating to training for Legislators.  Existing law requires newly elected Legislators to attend certain trainings before their first session. This would require that such training also include discussions of local governments to include the structure and authority of local governments, financial administration and services provided.  Heard in Senate Legislative Operations and Elections on 4/13	Support
AB3	Revises provisions concerning the electronic transmission of certain maps and other documents relating to the approval of divisions of land.  Would make changes to NRS to allow for certain maps and other documents used for the land use planning approval to be transmitted electronically and obtain the necessary approvals. This change would be permissive.  Amend and Do Pass from Assembly Government Affairs on 4/6	Support
<u>AB33</u>	Authorizes the establishment of paternity in proceedings concerning the protection of children.  Makes changes to the process for determining paternity for children concerning the safety and protection of the child. Will mirror other judicial procedures and processes to help determine the paternity of the child and make the system more efficient.  Amend and Do Pass from Assembly Judiciary on 3/12	Support
AB90	Requires counties to pay impact fees to certain local governments for projects of intercounty significance.  Creates a definition of a project of intercounty significance. Allows neighboring counties to file regarding a project in another county for any impacts from that development. Those impacts must be considered and paid before approval of a project may go forward.** Being amended to create an interim study to look at large projects that received tax abatements and the impacts of those projects on the county where the project was built and the neighboring counties.  Amend and Referred to Ways and Means- Without recommendation on 3/30	Support
<u>AB196</u>	Requires courthouses to contain lactation rooms for use by members of the public under certain circumstances.  Requires courthouses to have lactation rooms available to members of the public for use with some limited exemptions.  Amend and Do Pass from Assembly Government Affairs on 4/8	Support
AB397	Revises provisions relating to county clerks.  Removes the requirement for the Clerk's office to remain open until midnight everyday of the year to issue marriage licenses.
